Hello all,

For your review, please find the attached 5,099 pages of responsive material that are involved in the above-captioned litigation. These records were provided by Lori Mashburn.

The vast majority of these records are news articles that are publicly circulated (full release). For convenience of review, I have tried to separate these emails into a single file or otherwise leave a comment indicating large page ranges of that material.

Also, for your reference, I have also attached the incoming request.

Please provide confirmation that you have received and reviewed these records.

Feel free to contact me with any questions.

Thanks,
Justin
